

# "Deer Donation Registry"

## REGISTRY ROSTER

**Sponsored by the North Carolina Bowhunters Association**

\*\*\*\*\*

Anyone wishing to have their name added to the registry should send their NAME, PHONE NUMBER (including area code) and their COUNTY OF RESIDENCE to this email address: [NCBA1975@triad.rr.com](mailto:NCBA1975@triad.rr.com) . OR, they can mail this information to: NCBA Deer Donation Registry ; 7796 NC Hwy 68 N ; Stokesdale, NC 27357.

NCBA will also begin compiling a list of meat processing/butcher shops across the state and list them by county to assist citizens in locating a place to get the deer processed.

For those who may want to process their own deer, there are scores of references on the internet telling "How-To" butcher and process deer. Simply search the words, "Butchering Deer" and a long list of resources and information will pop up on your monitor..

NOTE: Some butcher shops (and hunters) may be willing to skin and quarter deer for an additional fee.. ask them! This is a fee for a service rendered.. not for the animal. It is unlawful to sell wildlife or wildlife parts.

**NOTE TO HUNTERS:** Scroll down and check the county you wish to donate in. Then, select and call recipients in any order you wish. They are listed in the order they were received. If one person does not answer the phone, try another name. You may also try calling in advance and setting up someone from the list to receive an animal carcass. If

you don't find someone listed in your county, go to a neighboring county and select names. Also, please advise us if you deliver a deer to someone on the list.

PLEASE send the date and their name to us for our records at: [NCBA1975@triad.rr.com](mailto:NCBA1975@triad.rr.com).

Thank you for participating in this program. It will help resolve our deer overpopulation problem in areas where this needs to be done, and it will provide many people with delicious, nutritious venison... many of whom are really in need of the food for their families...

Do you have deer in your freezer that needs to be "cycled" out to make space for more recent kills? If so, please consider calling someone on the "Registry" and donating the meat to them. Please don't let it stay in your freezer too long and go bad.

Thanks again from the "North Carolina Bowhunters Association" for participating in this program.

### **\*\*SPECIAL NOTICE:**

Names "Highlighted" in GREEN below are "Charity" organizations that are eligible to receive deer taken with NCWRC depredation permits.

Names "Highlighted" in RED indicate the person has told us that they have a special disability and/or needs help with processing deer.

Names "Highlighted" in BROWN indicate the person uses deer to feed big game cats, or rescue animals.

Click [HERE](#) to view the references to meat processors/butcher shops.

NOTE: If you know of any butcher shops/meat processors that would like to be added to our "Free" Butcher Registry, please have them contact us, or send their information to us... thanks!

## **NORTH CAROLINA**

(Scroll down for entries from South Carolina)

NOTE: When an asterisk \* appears to right of phone number, it indicates we have been notified this person has received a deer via the registry.
